

LifeRing Secular Recovery Nondiscrimination Policy

LifeRing Secular Recovery seeks to create and maintain safe and supportive environments for its leadership, employees, volunteers and members. Because discriminatory practices in any of our undertakings would undermine that goal, we do not and shall not discriminate on the basis of race, color, religion/creed, gender, gender expression, age, national origin/ancestry, disability, marital status, sexual orientation, or military status.

Our nondiscrimination policy extends to all activities and operations, including, but not limited to: employee hiring and employment practices; selection and management of volunteers, vendors, and contractors; membership recruitment; service provision; behavior in our on-line and face-to-face communities; and dealings with the general public.

If a participant, volunteer, or employee feels that s/he has observed or is otherwise aware of discriminatory behavior in any LifeRing Secular Recovery forum, s/he should immediately discuss the matter privately – and as soon as possible – with the meeting convenor (if the behavior has occurred in a meeting setting), the Service Center, and/or a member of the Board of Directors.

Prompt notification allows our management and leadership team to be proactive in addressing behaviors that may be discriminatory or that otherwise create an intimidating, hostile, or offensive environment. Individuals found to have been the cause of discriminatory behavior can expect to face appropriate disciplinary action, including temporary or permanent expulsion from on-line and/or face-to-face meetings as well as temporary or permanent dismissal from voluntary leadership or paid staff positions.

If we are to support individual members in attaining and maintaining a sober, secular, and self-empowered life, all of us who are part of LifeRing Secular Recovery have an obligation to protect the safe environment of our communities.
