

Secular Recovery Open House

What: LifeRing Secular Recovery is sponsoring an Open House with invitations extended to representatives from our like-minded cousin organizations Women for Sobriety and SMART Recovery.

Also invited are staff and administrators from Bay Area treatment facilities that may have interest in learning more about the advantages offered in providing a secular choice to their client base. They will learn more about how our programs are structured and hear first-hand how these lesser-known secular options have been successful for so many over the years.

Where: The San Francisco LGBT Community Center
1800 Market St. San Francisco, CA 94102

When: Friday May 11th from 9:00 AM - 11:00 AM

This event is free of charge and open to the public. It kicks off LifeRing's annual meeting and Congress (see info at <http://lifering.org/lifering-annual-meeting-2012>).
